Events consistent with the library’s purpose may include those intended to educate and inform the public, to promote community discussion, or to present cultural events or entertainment.

Guidelines

- Library events will generally be free and open to the public.
- The library may co-sponsor events with other organizations. Policy restrictions on library events shall apply to events held on library premises.
- Staff plans library events and makes them available to the community as a whole, but some events, such as tours, may be given to designated groups on request.
- Events should be in keeping with the purpose of the library.
- Sale of items related to the event will be at the discretion of the Library Director.
